

# 2026 AMDPA Scientific Session

June 5–6, 2026 | Eugene Woods Civic Center | West Memphis, Arkansas

Theme: “Increasing Access to Healthcare for a Healthy Arkansas: The New Reconstruction of Rural Healthcare”

## Join Us for the 2026 AMDPA Scientific Session

The Arkansas Medical, Dental & Pharmaceutical Association (AMDPA) invites physicians, dentists, pharmacists, healthcare professionals, students, and community partners to the 2026 AMDPA Scientific Session, taking place June 5–6, 2026, at the Eugene Woods Civic Center in West Memphis, Arkansas. This year’s theme, “Increasing Access to Healthcare for a Healthy Arkansas: The New Reconstruction of Rural Healthcare,” will guide two days of education, collaboration, fellowship, and forward-looking dialogue focused on strengthening rural health systems, supporting the healthcare workforce, and improving outcomes for underserved communities.
